

Copy

Department of the Interior,

Washington, April 5, 1890.

The Commissioner

of Indian Affairs:

Sir:

I am not disposed to interfere further about the medal proposed for the Indians, concerning which you have written me under date of the 3rd instant. I am inclined to think, however, that an expert will do better than has been attempted in the particular model shown me.

Yours truly,

John W. Noble,
Secretary.
